

Amazonas Leticia is such an interesting city in the most remote corner of Colombia and where you could find exiting adventures in the jungle. Visiting **Leticia Amazonas**, is an opportunity to experience a natural life full of warming people willing to show you the best of our region.

I am a local tour guide and I have been creating for the past 2 years authentic and exotic tours in the **Colombian Amazon Basin**. These selection of tours is a mixture of aventura, Amazon River Crusier, Intercultural Exchanges with local indigenous communities and jungle hiking's.
